Guaranteed to put a smile on your face thanks to an inspired single level design and exceptional location with Vermont South Shopping Centre, Billabong Park, and fantastic schools just a stone's throw away, this brilliant 4 bedroom, 2 bathroom residence offers family appeal and a truly relaxed energy.

You'll adore the ease of the floorplan as well as the natural light that fills so many rooms throughout the property. Sensational formal living is ideal for lounging and dining at any time of the day or night, while there is a more casual family and meals space which has stylish timber floors underfoot. The practical kitchen is wedged in between the formal and casual zones and delivers quality appliances and a great place to cook up tasty home dinners!
