

SPACE & SERENITY IN THE HEART OF RICHMOND

3 3 1

Perfectly positioned between Bridge Road and Swan Street sits this brand new Contemporary styled home. Creating a superb sense of homeliness with a new age twist which is noticed upon entering, as you immediately are struck by the size and space of the home. Greeted by the feature black chandelier, polish concrete and a vaulted ceiling, you get a feel of what is to come. Down stairs the home has an all black powder room, wide single garage, laundry with storage cupboards all leading to the open plan kitchen, dining and living areas which completely open up onto the deck and BBQ area. A picturesque yard includes established ornamental pears surrounding the properties boundary and a dominant water feature adds to providing pure serenity to the living space. In addition, the north facing floor to ceiling window exposes a bamboo garden, all of which comes to life at night when the lighting kicks
