4 3 2

For those that enjoy being surrounded by the finest fixtures and fittings, here is a four-bedroom home that boasts the highest quality craftsmanship and modern design elements. The fluid, two-level layout decorated with savvy finishings, striking design features, luxurious bathroom fit-outs and a superb collection of indoor-outdoor areas is an entertainer's dream. Stylish designer kitchen takes centre stage in the grand open plan setting, impressing with its commanding island bench, CaesarStone benchtops and stainless steel Miele appliances. Contemporary gas open fireplace in the family living ensures you're kept warm during the cooler months, while the summer heat won't be an issue here thanks to the home's refrigerated cooling. If the indoor entertaining options are not enough, the spectacular outdoor area completes the picture, boasting a sublime in-ground pool and magnificent landscaped
