

Brand New Living With Convenience At Every Turn

3 2 2

Stylish, modern living is evident the moment you venture beyond the rendered facade of this brand new Townhouse and set foot on the sparkling tiled flooring. High ceilings coupled with open plan living and a light colour scheme create a space that is alluring to look at and relaxing to be in, while the collection of large windows fills the impressive home with plenty of natural light. Modern kitchen with stainless steel appliances looks onto the spacious open plan setting that links with a landscaped outdoor area that's ideal for entertaining. The home's modern fit-out isn't the only attraction - there's also the highly desirable location it finds itself in. This stunning abode is within walking distance of Bulleen Plaza, St Clement of Rome Primary School and public transportation.
