

## Melbourne's Finest City View

5 🛏 3 🗐 2 👄

**Construction Commenced** 

Set in a lush, picturesque hilltop location above the Yarra River in Hawthorn's most sought after location is the foundation for what will become one of Melbourne's most stunning & enviable homes. With an amazing blend of serenity & energy, this home will provide the entertainer with a peerless opportunity to shine whilst also allowing unrivaled opportunity to relax and feel a million miles away from the hustle of day to day city life.

The ground level is a blank canvas with an enormous open living room which could consist of several rooms that flow onto the outdoor entertaining area with built in BBQ. The level also houses the laundry & toilet along with a large storage area. Spread over the middle floors are the study and four generous sized bear of the with a spacious timber veneer WIR and en suite which provides each family member with their own
