

Think Light, Think Lifestyle, Think Location

3 1 1

This three-bedroom bonanza is well-located, well-proportioned & definitely well-worth-a look. Featuring a large living room opening onto a balcony with leafy outlooks, a casual meals area next to the kitchen where a breakfast bar provides the perfect spot for impromptu late-night snacks or early-morning wake-up coffees, laundry facilities in the bathroom, a separate toilet, huge picture windows saturating the interior in wonderful natural light & a car space, this is the perfect opportunity to gain a foothold into the property market or add a rewarding addition to your investment portfolio. The block of apartments is surrounded by beautiful park-like gardens with benches to sit on & meditate, contemplate & get away from it all in secluded serenity. That is when you are not too busy enjoying & indulging in everything that this amazingly central location has to offer. The close proximity to
