

Land Is The Ultimate Luxury

A vacant allotment represents potential in its purest form. Rare anywhere in Hawthorn East, unheard of in this exceptional pocket, this blank canvas block of some 692sqm offers development dimensions which are certain to be richly rewarding. Set back from the street, this generous parcel of land creates an enticing context for construction close to Anderson Park, Bialik College, Auburn South Primary School and Burke Road trams. Such auspicious surroundings add huge lifestyle appeal to a unique opportunity for designing and delivering spaces tailored entirely to your priorities and preferences. Capture the land, define your future, enjoy the outcome...
