3 2 2

This tranquil abode, deceptively more expansive than its facade suggests strikes the perfect balance between contemporary styles combined with low maintenance and is ideally positioned at the rear for privacy. Exuding warmth accented by bamboo flooring and streamed with natural light, a relaxed quality lifestyle is exhibited by the spacious living room with large bay window, adjacent casual dining area leading to well-equipped granite-style kitchen with Smeg stainless steel appliances, enhanced by a comfortable timber deck and sunny, sizeable paved courtyard. Three robed bedrooms, the master featuring chic ensuite, are serviced by stylish fully tiled main bathroom, separate toilet, ducted heating and cooling, audio intercom plus double auto garage.
