

Beautifully Finished Interior in a Prestigious Location

3 2 1

This beautifully renovated residence offers generous light filled living spaces, a new kitchen and bathrooms and pretty garden vistas on Deepdene's premier tree-lined boulevard. The formal lounge boasts a marble open fire place while the formal dining has French doors opening to the garden. The stone kitchen with Miele appliances is as practical as it is beautiful with an adjoining casual meals area. Three big bedrooms are serviced by designer bathrooms, while a large laundry and plenty of storage bring functionality to the home. Features including polished floor boards, ducted climate system, a garage and a private outdoor space complete a package designed for those looking for an easy yet graceful lifestyle.
