

Sleek and Stylish with Super Location

2 1 2

Completely private, modern and low maintenance, this uniquely designed, split level, two bedroom apartment is ideal for city living or as an investment. The apartment is nestled at the rear of the complex, away from the traffic noise, and, unusually for a development of this type, the apartment has its own private leafy garden. The tiled living area is spacious and bathed in northern sunshine with huge double doors, which open to a terrace and a paved BBQ area in the garden. The kitchen has a breakfast bar, plenty of storage and stainless steel dishwasher, oven and cooktop. There are two good sized bedrooms with mirrored robes and electric heaters, a fully tiled bathroom and separate toilet. Other features include a tandem car space and split system heating and air conditioning.
