

Modern and Spacious with the Ultimate Position

1 1

Combining the tranquillity of river side position with the convenience of inner city living, this modern and well appointed 1 bedroom apartment provides the best of both worlds.

There is a spacious living and dining area with high quality finishes and a kitchen fitted with stone bench tops, stainless steel European appliances and plenty of storage.

The generous bedroom has built in robes and enjoys a picturesque view of Studley Park; and the property is completed with a large, covered and sun-filled balcony with further views.
