

Spacious Apartment with Lifestyle and Convenience

2 1 1

Nestled on the ground floor towards the rear of the block, away from the traffic noise, this spacious two bedroom apartment would be an excellent investment or residence in one of Melbourne's leafy Eastern suburbs. The generous lounge room is bright thanks to an impressive window looking out onto a green and leafy garden and opens to a covered balcony that enjoys the same aspect and would be a wonderful place for a morning coffee or entertaining friends. The kitchen is equally bright and well equipped with space for a meals area as well. Both bedrooms are well sized and there is plenty of extra space and storage throughout the apartment. The apartment is beautifully maintained with neutral dcor while having plenty of potential and scope to refurbish to taste. Complete with its own car space
