5 4 4

Elegant, luxurious, beautiful, spacious, these are just some of the words that come to mind when inspecting this magnificent 5 bedroom, 4 bathroom family home. Built to exacting standards and displaying superior fittings and fixtures throughout, the centrepiece is an expansive living/dining area featuring a glass-walled wine room and opening onto a paved alfresco terrace overlooking the heated pool. A beautiful marble island bench defines the kitchen where integrated fridge/freezer and high end Gaggenau appliances are featured including induction cooktop and steam oven while a second kitchen/butler's pantry facilitates easy entertaining. The entry level also includes a formal sitting room with gas log fire and a superb guest bedroom with 2-way ensuite while upstairs the grand master suite offers both built-in and walk-in robes and a beautiful ensuite bathroom with a deep freestanding bath.
