

Bright Apartment in Lifestyle Complex

2 2 1

This completely private, modern, low maintenance apartment presents an ideal opportunity for city living or as an investment. Located on the corner of the building and flooded with natural light, the living/dining room has large windows, a balcony and views across the city to the CBD. The kitchen has stainless steel Miele appliances and plenty of storage, while the two bedrooms (master with ensuite) are bright and have mirrored robes. Other features include a car space and storage area, split system heating and cooling and security entry. The building offers real lifestyle opportunities with excellent common areas including relaxing conversation room with gas log fire, a rooftop indoor/outdoor BBQ and eating area outdoor spas and a separate residents' garden. There is also access to the Wellness Centre with lap pool, gym, sauna and personal trainers.
