

Comfortable and Close to Everything

1 1

You could not find a better place to invest than this comfortable, single bedroom apartment just a stone's throw from Swinburne University. With the city train and the vibrant shopping area of Glenferrie Rd with its cafes and restaurants just a short walk away, the location is ideal for those who enjoy low maintenance, city living.

Situated on the ground floor of an older style block with security screen door, it offers a sunny living area with laminate wood floors and large windows, facing the communal garden. The kitchen is fresh and clean and has a glass cooktop and stainless steel oven with plenty of storage cupboards and bench space. The double bedroom has mirrored robes and large windows, while the tiled bathroom has a shower over a bath and there is room for a small washer.
