

## Sparkling Contemporary Family Home

4 2 2

You will feel an immediate sense of welcome and warmth when you enter this stylish family home, tastefully decorated in creams, whites and greys, with soft, quality carpets, wooden floors and elegant blinds, all blending in perfect harmony to create a modern contemporary feel. The central hallway leads past a quiet sitting room to what can only be described as a stunning open plan living/dining area, flooded with natural light and opening to two north-facing entertaining decks making the most of the sun and the enjoyment of the easy care back yard with its established trees. The kitchen comes complete with stainless steel Smeg appliances, double sink, island breakfast bar and, to one side, is a butler's pantry with exceptional storage. There are four spacious bedrooms (master downstairs with walk in robe and ensuite) and there is a separate rumpus room and study nook for the children to
