

Smart And Stylish Updates Create A Winner

4 2 2

A floorplan which is ideal for daily family living and entertaining and combining it with beautifully renovated bathrooms, brand new carpet and fresh paint is a winning combination for this smart and stylish home. The central kitchen is the focal point easily serving the family and rumpus rooms it faces, the covered alfresco deck that opens off them as well as the formal dining and living spaces. The kitchen, which is open and accessible, features a long angular breakfast bar bench and ample storage space with two pantry cupboards. There are 4 bedrooms including the master with fitted walk-in robe and a beautiful fully tiled ensuite bathroom featuring glass vanity basin and frameless, rain style shower. The 3 additional bedrooms all with built-in robes share a family bathroom, also fully tiled and with glass vanity basin and a deep soak bath. This highly appealing family home is complemented
