

AUCTION - Saturday 13th April 2019 at 11.00am - Rare Opportunity In A Prestige Location 🚗

An exceptionally rare investment opportunity has arisen in one of Melbourne's most tightly held and prestigious suburbs with TASMA, a block of 4 x large 2 bedroom apartments each with a car space. An outstanding location diagonally opposite Darling Square allows residents to walk to the CBD and the MCG, the Fitzroy Gardens, local shops, cafes and city bound trams. While these 4 apartments each share the same floorplan the two first floor apartments have been updated while the two downstairs are in more original condition. Each apartment comprises living room with dining or study space, very spacious master bedroom with built-in robe, bathroom with bath tub, separate kitchen and second bedroom at the rear. The ground floor apartments each have a courtyard and there is a common area at the rear
