A grand and prestigious, brand new, family residence that combines a lavish, 5 bedroom layout with unprecedented luxury, this is a home for the most discerning of buyers. Architecturally brilliant and constructed to the highest standards in a French Provincial style, the home is perfectly suited to this most exclusive pocket of Balwyn. Meticulously crafted with the most exacting eye for detail and committed to quality throughout, the home flows past a formal lounge with a magnificent marble fire place and gas log fire towards a vast open-plan kitchen / meals / living. Equipped with striking marble benchtops and a suite of Miele appliances that include a gas cooktop, integrated refrigerator, dishwasher, two ovens and a coffee maker, the kitchen is perfect for the gourmet chef. An enormous butler's pantry with more Miele appliances is a wonderful addition to a kitchen that flows outdoors to 36 Percy Street
