

Near New Town Residence in Perfect Location

4 3 2

Some homes just sell themselves, just like this executive residence in booming Bulleen. Boasting its own title, you're a winner before you even set foot inside. And when you do, be swept off your feet by the home's outstanding construction, meticulous attention to detail, superior quality and intelligent design that maximises space in a low maintenance package.

The luxury of two master bedroom options (one downstairs, a second upstairs) is ideal for those with multi-generational living options or empty nesters still requiring space for the grandkids, while the manner in which the sensational open-plan living area integrates with the chic Merbau deck makes indoor-outdoor entertaining a breeze.
