

Pristine family entertainer in leafy family neighbourhood

6 3 2

Ideally set in the heart of a peaceful family neighbourhood, mere metres from leafy Mahoneys Reserve and Bob Saker Oval and within easy walking distance of Forest Hill Chase, this pristine two storey rendered brick home is superbly laid out for families, with spacious living areas across both levels and an impressive alfresco space.

Opening onto a formal living room, the home then flows through to an expansive open plan living and dining space, flooded with abundant natural light and opening directly out to a paved alfresco area overlooking the solar heated pool and gardens, whilst an airy entertainers' kitchen includes an island benchtop and 90cm gas stainless steel appliances.
