Brilliant with a considered floorplan offering superb space over three floors, and owning a fantastic Port Melbourne location plus views of the neighbouring North Port Oval, this exquisite 3 bedroom, 3 bathroom apartment is a striking offering only for serious inner city buyers.

This coveted apartment sits in the wonderful 164 Ingles Street building which was made famous by The Block, and was one of the most successful seasons in the show's history. This tri-level dwelling is truly something special when it comes to Port Melbourne apartment living, with stellar attention to detail, breathtaking fittings and finishes, and exposed brick detail which harkens back to the building's original Art Deco days (building was formerly J. Kitchen & Sons Art Deco soap factory).
