

Expansive family residence in exceptional locale

5 4 2

Presenting elegant formal and casual living spaces across an expansive zoned floorplan ideal for effortless multi-generational living, this two storey family residence is set amidst low maintenance landscaped gardens on a corner block of a peaceful family neighbourhood, within the coveted Box Hill High zone and just a short stroll from Kingswood College, Our Lady's Primary School and leafy Surrey Park, close to Roberts McCubbin Primary, Wattle Park and trams.

On the main floor, spacious formal living and dining rooms are connected via decorative double doors, with an open fireplace, decorative cornices, lofty high ceilings and polished timber floorboards. A separate casual family living area is flooded with natural light with two full walls of floor-to-ceiling windows, and opens directly out to a terrace courtyard framed by leafy established gardens.
