

Spacious apartment in heart of Hawthorn

This beautifully presented apartment has a great feel to it. It feels light and spacious and encapsulates the essence of inner-city lifestyle in the heart of Hawthorn.

Impressive with its smart use of space such as a convenient office corner featuring a built in desk and bookshelf made from Jarra Hardwood and a European laundry in which to put a washer dryer machine. This boutique retreat features gorgeous polished hardwood floor boards, a well designed kitchen, open plan living dining space perfect for entertaining and a spacious well-robbed bedroom and light filled ensuite.
