PRIVATE AUCTION - PLEASE REGISTER TO BID

Tucked away in a quiet cul de sac that conceals Fashoda Street Reserve, this timeless and classical Victorian in keeping with its origins provides a character filled three bedroom two bathroom floor plan on a broad parcel with landscaped rear garden and prized side by side double carport.

Surrounded by the period beauty of the prestigious St James Park precinct, an irresistible block fronted façade hides two original rooms now configured as two spacious bedrooms with high ceilings, original OFPs, one with BIRs and desk, the other with dual BIRs.
