

A peaceful family sensation steps to Bridge Road

4 2

Brilliantly placed a stone's throw to the best of Bridge Road, and offering incredible space over two levels that is destined to grab the attention of all buyers including families, this 4 bedroom, 2 bathroom updated period beauty is a rare and appealing Richmond opportunity that cannot be missed.

Marrying heartwarming period charm with a tasteful modern feel, this striking and quiet abode has so many appealing delights you'll never tire of. A small yet flourishing garden at the front has been curated and landscaped to perfection, and adds a slice of green tranquillity before you even step inside. Once you do, you'll be inspired by the soaring ceilings, elegant plantation shutters, and premium hardwood flooring, as well as two bedrooms with built-in robes which are positioned towards the front of the layout.
