

Three Bedroom Stunner in Great Location

3 2 2

You would never expect to find a contemporary house in traditional East Melbourne, but tucked down this private lane is an architecturally designed gem that is sure to please any potential renter. This home provides the ultimate convenience and privacy. Entry to the property is along a path with tall bamboo in pots, which provides screening from the neighbours.

The large balcony is perfect for an evening drink or entertaining, with views to the CBD, and in the kitchen, an island bench with a breakfast bar. The master bedroom has a screened balcony and 10mm thick glass windows to keep out the bustle of city noise. Through to the walk in robe is a bright ensuite with double vanity and huge shower.
