

Impeccable Sanctuary, Walk to The Junction

2 1 1

Walk easily to all the cosmopolitan urban conveniences of Burke Rd and Camberwell Junction from this beautifully refurbished, mid twentieth century apartment in a blissfully treelined and privileged Hawthorn East streetscape. Close enough to everything, but comfortably removed, you are sure to relish such proximity to all the action on Burke Rd, the cafes and restaurants all the way down to Camberwell Junction, plus there is more shopping at 'Camberwell Place' and plenty of buses and trams along Burke Rd as well as trains from Camberwell Railway Station.
