

## Classic beauty inside and out

5 2 2

Presiding over an elevated corner allotment of 923sqm (approx), this show-stopping family home has curb appeal in spades. Built to endure (circa 2008) with brick construction, timeless style and the amenities and design of a modern family home. Character and charm are at the forefront with commanding roofline, arts and crafts windows and entrance door, brass accent lighting and old-world cast iron post lamp, this home is sure to tug at the heart strings.

Flooded in natural light, the limewashed hardwood timber floors lead you past the elegant lounge and study and beyond the picture-book staircase to the expansive open plan lounge & dining space with an array of windows and French doors overlooking the sun-drenched north facing rear garden. Perfect for laidback family get-togethers or a standout setting for grand-scale entertaining, this zone connects with the gourmet marble kitchen and
