

Brand New Townhouse Ready to Call Home!

3 3 1

Introducing Kilsyth's latest new development, 61 Lomond Avenue. Comprising of four brand-new townhouses, the boutique complex exemplifies modern living, in a location where residents can enjoy excellent lifestyle connectivity. Ready to move in, each residence is spoilt with choice; each one flaunting differing floorplans with double-glazed windows, LED lighting and a crisp white paint palette.

Timber-floor adorned living and dining rooms reside at the heart of each home, complemented by clean white kitchens with Bosch appliances, stone countertops and tiled splashbacks. Connecting alfresco decks supply ample space to unwind or entertain outdoors.
