

Charming Family Home

3 2 1

This contemporary cottage style home is quaint with an English-style garden that greets you creates the look & feel that is extended throughout this home that consists of two large bedrooms downstairs, both with built in robes, that are joined by a formal lounge, recently renovated family bathroom with large shower, heated light & skylight as well as a contemporary country style kitchen with top-notch Bosch appliances & stone countertops. A generous meals area & family living zone extend out to a sunny backyard that provides the ideal backdrop for entertaining with friends. Upstairs is a lovely parent's retreat complete with a balcony to relax with peace & privacy. The front garden is also accompanied with Ross marry and a lemon tree.
