

Cosmopolitan Warehouse Conversion with Enviably Lifestyle Appeal

2 1 1

Located in the iconic former Pentridge Carpentry Lofts and paying homage to the industrial history of the precinct, this enticing warehouse conversion epitomises trendy inner-city living with its industrial chic elements and uber cool position in one of the hottest parts of town.

Light and bright interiors offer stylish ambience through the generously sized open plan living/dining area, adjoining a spacious kitchen with a striking combination of polished concrete flooring, original exposed brick, stone benches, and premium appliances. Full height sliding doors open seamlessly onto a delightful courtyard complete with original bluestone walls and built in seating for effortless indoor/outdoor entertaining. Upstairs, discover two generous bedrooms (walk in robes and private balcony to master)
