

Stunning Family Haven with Rooftop Views

4 4 2

Designer style meets exceptional space and functionality at this beautifully renovated family home, nestled within a quiet low-traffic cul-de-sac just moments from shops, schools, parks and transport.

Commanding attention thanks to its smartly rendered façade and plantation-shuttered windows, the home certainly makes a lasting first impression. Inside, its generous proportions, luxurious finishes and thoughtful touches will definitely seal the deal!

Enjoying an elevated position and taking in views across the rooftops, the home's main level is enhanced by stunning chevron timber floors, which flow seamlessly throughout. Accommodation includes an inviting lounge with street-view sitting area along with a first-class gourmet kitchen which is anchored by a vast island benchtop and is equipped with quality AEG appliances, including dual ovens and a gas cooktop. Bespoke cabinetry with handy wine
