

Charming Family Home, Moments from the Best of Kew

3 2 1

*** Inspections strictly by appointment only. Thankyou***

This elevated tuck-point brick Edwardian semi-detached home offers period charm on the fringe of the Sackville Ward. As one-of-a-pair it has an instantly appealing complementary façade, whilst the interior features retained subtle period attributes matched to the contemporary changes internally; highlighted by fixtures and fittings of the highest quality.

A Baltic Pine hallway with timber fretwork arch leads to three generous bedrooms, all with BIRs, main with a pristine ensuite, family bathroom and concealed laundry.
