

Highest Quality Finishes with a Mid-Century Soul

3 2 2

Inspired by the incredible practicality of mid-century design and driven to create a residence befitting the calibre of the locale, the owners of this exceptional home have completed a stunning renovation ready for the next custodians to enjoy.

Retaining the original floorplan that cleverly segregates the luxurious entertaining area from the peaceful bedrooms, the light-lavished interiors have also been conceived to foster an irresistible connection with the low maintenance yet exquisitely stylish alfresco areas and glistening pool.
