

Single Level Ease in Carefree Setting

2 1 1

Peacefully tucked at the rear of a block of just four contemporary homes, this single-level unit will shout out to anyone looking for stress-free, ready-to-enjoy accommodation in this sought-after neighbourhood. Ideally suited to young buyers, investors or even downsizers, it enjoys proximity to an array of amenities.

Warm floors flow through the light-splashed dual-zoned layout, which provides options to entertain and relax as well as an open plan stone kitchen which is appointed with gleaming stainless steel appliances. The lifestyle appeal continues outside where a sunny north-facing yard wraps around to a low maintenance garden offering space to unwind or for little kids & pets to enjoy.
