

Tranquil Garden Setting with Elevated Aspect & Future Potential

4 1 2

Secure your own slice of a coveted cul-de-sac with this comfortable four-bedroom family home, being offered for the first time in almost 70 years. Occupying approximately 696sqm of established gardens, the home wraps up comfort, rentability and potential in one appealing package.

From the road, there is a distinct mid-century energy to the curbside presence, which is enhanced by original breeze-blocks in the double carport. On entry, warm hardwood floors flow through to the formal lounge which showcases a paneled wall with gorgeous stone accent, while out to the rear, the open plan living and dining zone is flooded with natural light. Connected with the granite kitchen flaunting premium Miele appliances, this zone opens to an alfresco terrace which enjoys an elevated garden aspect across the 12 Edith Court
