A new indulgence in contemporary living, this stunning five bedroom plus study four bathroom family masterpiece flaunts the latest in designer luxury. Curated using only the finest of materials including Italian marbles, Zellige tiles, European Oak floors, Soktas lighting and linen drapes, this new showpiece is simply gorgeous.

Set in a designer garden landscape with floating paved steps, this incredible home uncovers a beautiful entrance foyer with steel fluted glass door to the north facing executive study, a 'must have' downstairs guest bedroom with built in robes and adjoining bathroom with underfloor heating, a fully accessorized laundry and a mudroom nook.
