

A Stylish Hideaway in the Prized BHHS Zone

4 3 2

Uncover the low maintenance and private surrounds of this spacious townhouse, peacefully placed at the rear of a contemporary group. Delivering a floorplan that will appeal to a range of buyers, it offers the proportions to welcome a family who will be drawn by the prized zoning for Box Hill High School.

Radiating quality with rich dark timber flooring plus luxurious marble surfaces where it matters, the layout features an open plan living and dining zone that flows into the designer kitchen. Showcasing thick marble that waterfalls to the floor on the island bench, this space offers a suite of Miele appliances and plenty of cupboard space.
