

Family Space & Style with Park Views

5 3 2

Looking out to the green expanses of Donaldson Reserve, this stunning near-new home first captivates with its striking facade, before truly impressing with stylishly appointed and extremely spacious interiors.

Finished to an exacting standard, with new carpets and soft floaty sheers adding to its already enormous appeal, the two-storey residence includes a vast open plan living/dining zone where a beautiful gourmet kitchen takes centre stage.

Anchoring this zone is a stone entertainer's island with statement lighting, while the kitchen itself is a host's dream setting and is equipped with a full suite of prestige Smeg appliances.
