

Park-view Living in Perfect Family Locale

3 2 2

Opposite the oval, across from the playground and steps to childcare, you would be hard pressed to find a better family location than that offered by this contemporary street-fronted townhouse. Immaculately presented and demanding minimum maintenance, it is equally a great home for young families or a quality investment.

Accessed via secure keyless entry, the in-demand layout delivers the all-important ground floor main suite with sparkling bathroom widening the appeal to downsizers. Further on, the open plan entertaining zone is spacious and flooded with natural light, spilling from the stone kitchen appointed with European appliances out to a sheltered deck & north-facing mod-grass garden.
